

Complete Streets Photography Contest

The City of Omaha is holding a photo contest to learn more about your favorite streets as well as streets you think are ripe for improvement. Your photos will help in the development of Omaha's first Complete Streets Design Manual.

We're looking for streets in Omaha that you like along with activities taking place in the public right-of-way (sidewalks, streets, etc). We're also looking for streets that you think could be great with a little work.

Prizes - 1st place in each category (favorite streets and streets with potential) will be published in the Complete Streets Design Manual and receive an annual membership to **FILMSTREAMS**, Omaha's nonprofit cinema. 2nd place photos will be included in the Design Manual.

Additional prizes are in the works!

Contestants will retain full rights and ownership of their photos, with the understanding that the City or Omaha by Design may use the photos in any way to further their Complete Streets efforts.

Email photos to info@omahabydesign.org

Learn more at www.completestreetsomaha.org

Eligibility - The contest is free to enter and open to amateur and professional photographers of any age. All photos must be of streets within Omaha.

Deadline - 12:00 AM on January 1, 2017

Submission Requirements

1. Images must be submitted in digital format. High-resolution scanned photos are acceptable.
2. Photos must be taken using a camera or phone with a minimum 6 megapixels (iPhone 5 is 8 megapixels).
3. Submit photos in JPG or PNG format.
4. Include 2 or 3 sentences about why you chose the street/activity that you did.
